This reply from Deidra on February 13th clearly shows she knew I had drummers so saying they are unapproved two weeks before is rather ridiculous.

We will not charge for the band members.

Hi Deidre,

Just following up on this question. Does the entertainment they need tickets at all? I think that's what Mary the tour guide was saying was that the entertainment didn't have to be paid for to come on the boat. I definitely don't want to count them as part of the 200 either way.

Thank you!

Christian

Hi There!

That would be fine. They won't have a meal ticket.

Thank you.

Hi Deidra,

Just following up on this.

Thank you :)

Hi Deidra,

Bloody Mary the tour guide and priestess who is performing the blessing on the boat and

Deidra, the tour guide and hostess who is performing the blessing on the boat and who is bringing the drummers said she has done events on the boat before and that she and the entertainment may be able to not be on the headcount and not eat. Is this possible?

Many thanks!

Christian

Hi Deidra,

Thank you for speaking to me. When we do the final count, while I know I need tickets for Brian and I to board, and we're willing to pay for the food too, we're not going to be seated nor are we eating so we don't want to be counted as part of the 200 if at all possible.

Christian

Hi Deidra,

Christian from HexFest here (August 21 event). What is the absolute max seating in the dining room?

You will pick up their tickets and distribute them to your guests.

This will happen prior to boarding. We can set up a table for you as a "home base".

Thanks,

Hi Deidra,

I just wanted to check on one thing since I did not see it in the docs though I may have missed it. I saw that when we board the boat we have to contact the hostess, but how do I gather my guests to actually board the boat without tickets?

Thank you!

Christian

Hi Deidra,

Can you call me when you have a chance at [\(978\) 578-4230](tel:9785784230).

Since I don't actually know yet that we're going actually sell 200 tickets and since the 150 is the minimum, can this be set for the 150 until I actually have enough people to increase? 200 is what I can sell but I don't know yet if I'm going to sell that. If I do sell that, then I will definitely book for 200.

Many thanks!

Christian
